Who is this for?

The NEW Virtual Implementation Training Courses are a wonderful resource for teachers who are:

- New to our programs and are embarking on their initial Implementation
- Still learning to implement and want a refresher
- Experienced and want ongoing advanced implementation training

What is the cost?

- \$79 per year/program seat. Teachers have access to the course content for 1 calendar year.
- OR complimentary for those who have purchased back-to-school 2020 classroom set-ups (During the COVID crisis, each classroom set-up will include a program seat).

Certificate of Completion and Level One Certification

- After each course is completed the educators receives a certificate of completion.
- Complete all five-courses & get Really Great Reading Level One certified!

How do my teachers access the courses?

- When you purchase or submit a purchase order please contact our subscription team at onlinetools@reallygreatreading.com
- Next, the subscription team will send you instructions on how to access your program's five course sequence.
